

Creative Tracing Pages

KidSparkz Preschool Resources

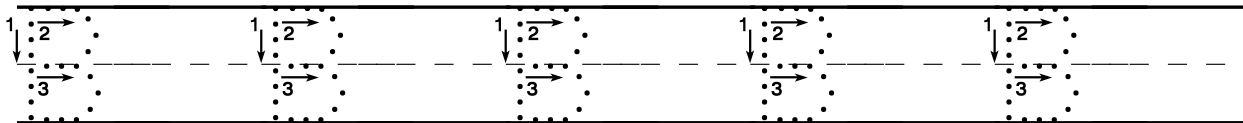

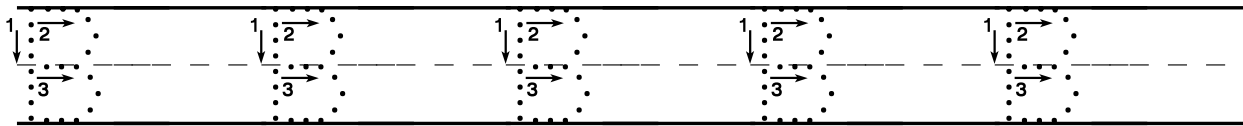

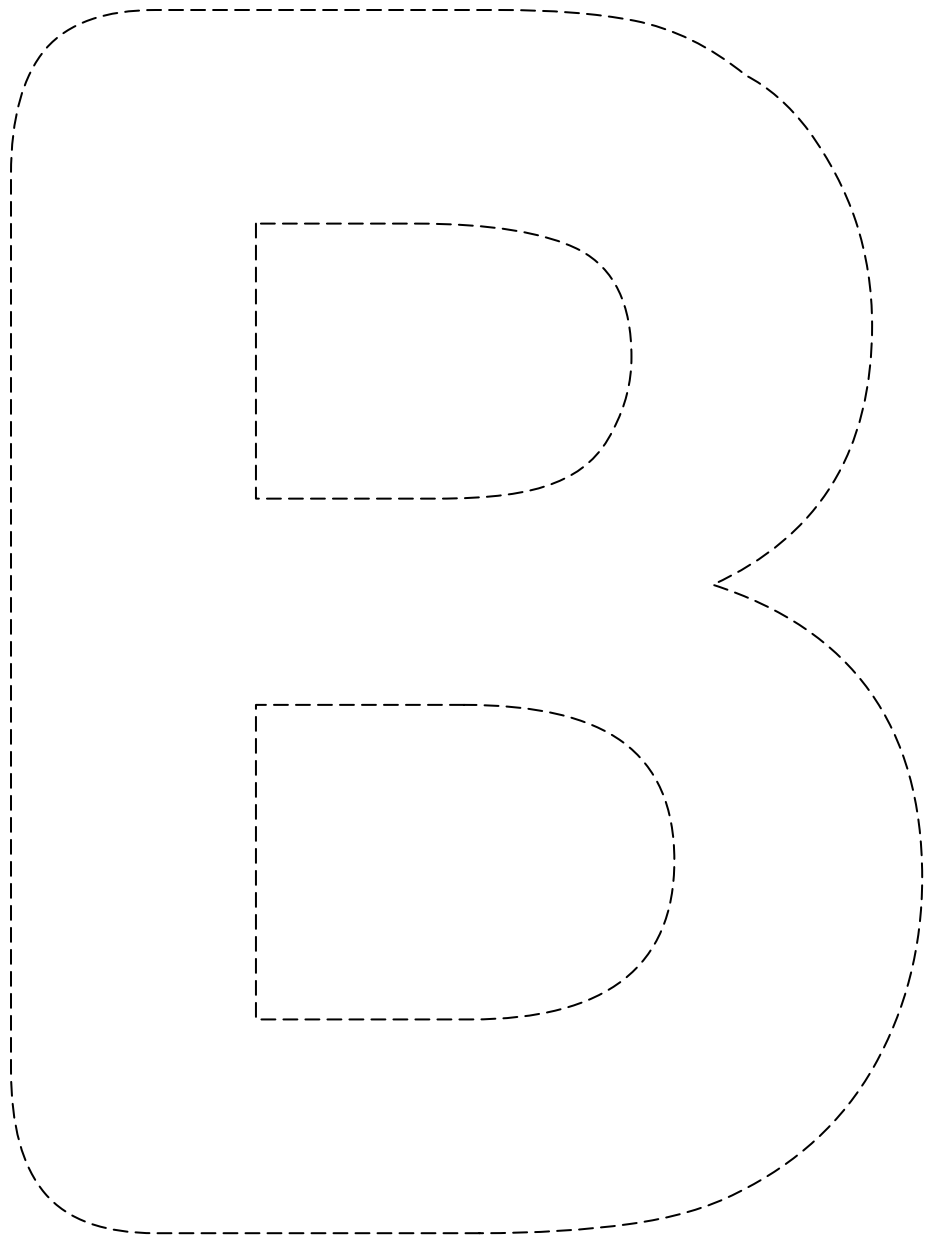

These are not just your everyday boring tracing worksheets. Encourage creativity along with the development of hand muscles and eye-hand coordination. Decorate the letters, draw sets inside the numbers, make Shape People out of the shapes. Encourage imaginative group discussions with the "What does this look like?" pages. Fill in the details on the Theme Pages, color and decorate, cut out, make themed murals. There are SO MANY things to do with these tracing pages, besides tracing them!
